

Regionalgruppe Heidelberg der
Deutschen Gesellschaft der Humboldtianer

Sunday 5th November 2023

Dear Humboldtians, dear friends,

our third Humboldt meeting this year will take place **on Wednesday 6th December at 6:15 pm** in room 019 of the Institute for Translation and Interpreting at Heidelberg University (Plöck 57a, 69117 Heidelberg).

Prof. Dr. Marcus Nüsser, Head of the Department of Geography at the South Asia Institute at Heidelberg University, will give a lecture entitled "Endangered and dangerous mountains: cryosphere dynamics, socioeconomic risk and adaptation strategies in the Himalayan region". The lecture will last about 45 minutes and can also be offered in *English*.

Thereafter we cordially invite you to a dinner in the Italian restaurant *Trattoria Toscana* (Marktplatz 1, 69117 Heidelberg). The meeting will also provide the opportunity for our current fellows to exchange the latest news and views related to their research topics and other points of concern.

To facilitate the organization of the dinner, we kindly ask you to send us a short reply to this invitation, indicating whether or not you will be able to attend.

We look forward to spending an inspiring Humboldt evening with current and former fellows, members and friends of the Regional Group Heidelberg in a relaxed atmosphere.

Looking forward to seeing you soon!

Yours sincerely,

Johann M. Heuser, Lutz Greb and Claudia Cabezón Doty
